

Amendments to the Specification:

Please add the following new paragraph at the beginning of the Detailed Description of the Preferred Embodiment section, after line 25 and before line 26 on page 2 of the specification:

A portion of the disclosure of this patent document contains material which is subject to copyright protection. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the Patent and Trademark Office patent file or records, but otherwise reserves all rights whatsoever. The copyrighted material is from an article by Hugh Bennett, "CD-E: Call it erasable, call it rewritable, but will it fly?" published in *CD-Rom Professional*, Sept. 1996, pages 29-44. The owner of the copyright is Online Inc.
